HOW to get the OCC coins on your desktop wallet

Press the button RECEIVE

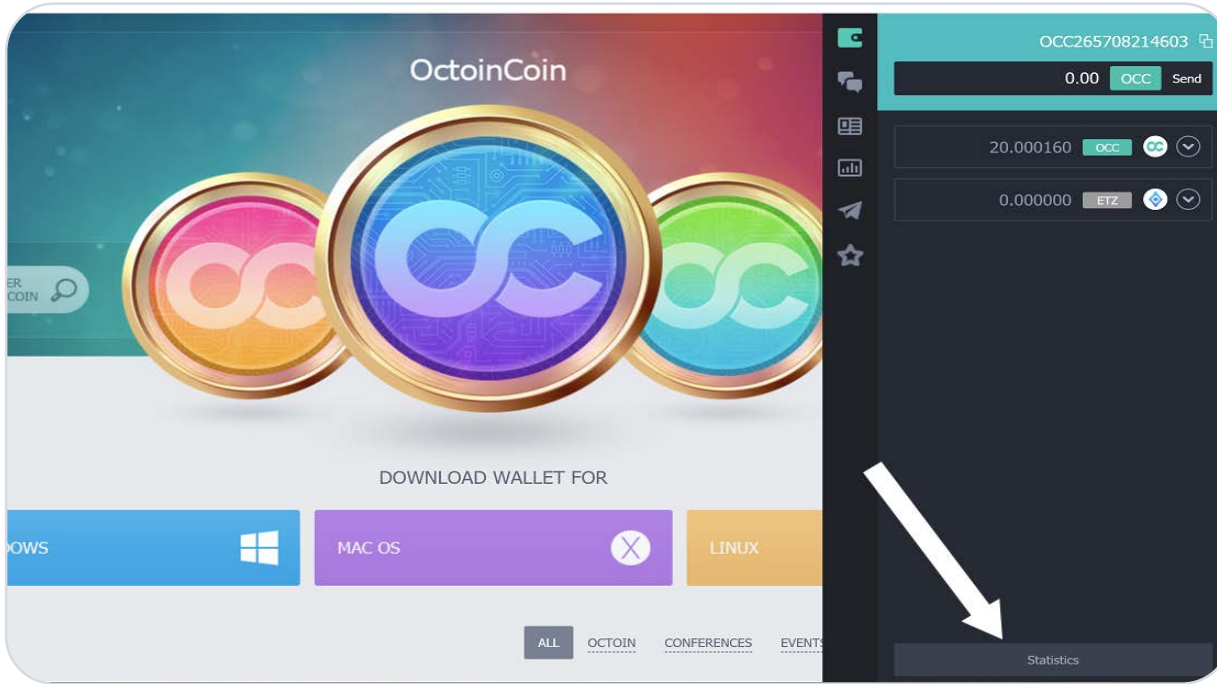

Filling in the "level", "message" and "amount" fields is optional. Press the REQUEST PAYMENT button.

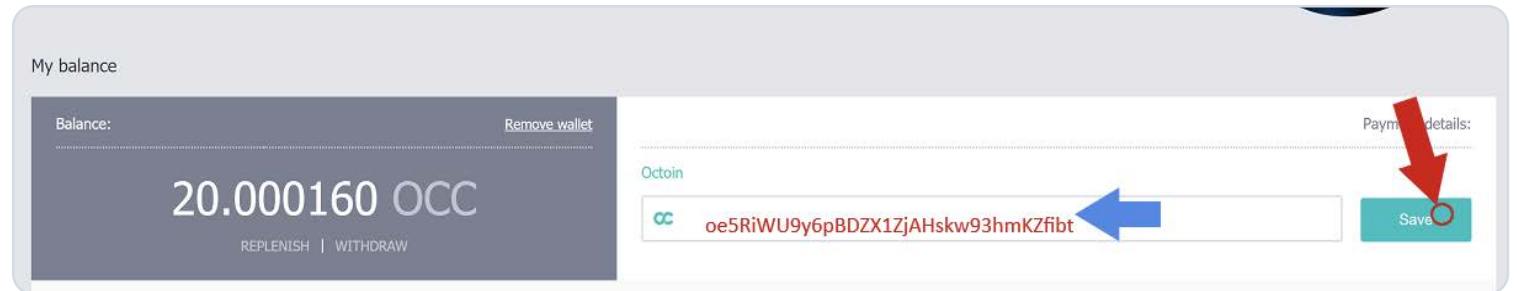

In the window that opens, you will see the information for making an incoming payment, namely the URL and the Wallet address. Click the COPY ADDRESS button at the bottom of the window.

Use the copied address to receive your coins from the personal cabinet of Octoin. For this go into your personal cabinet and in the right menu go to the statistics section.

In the OCC field enter the address of your wallet and press SAVE

Then press the WITHDRAW below the Octoin balance and confirm your WITHDRAWAL
