How to create a backup copy of your wallet

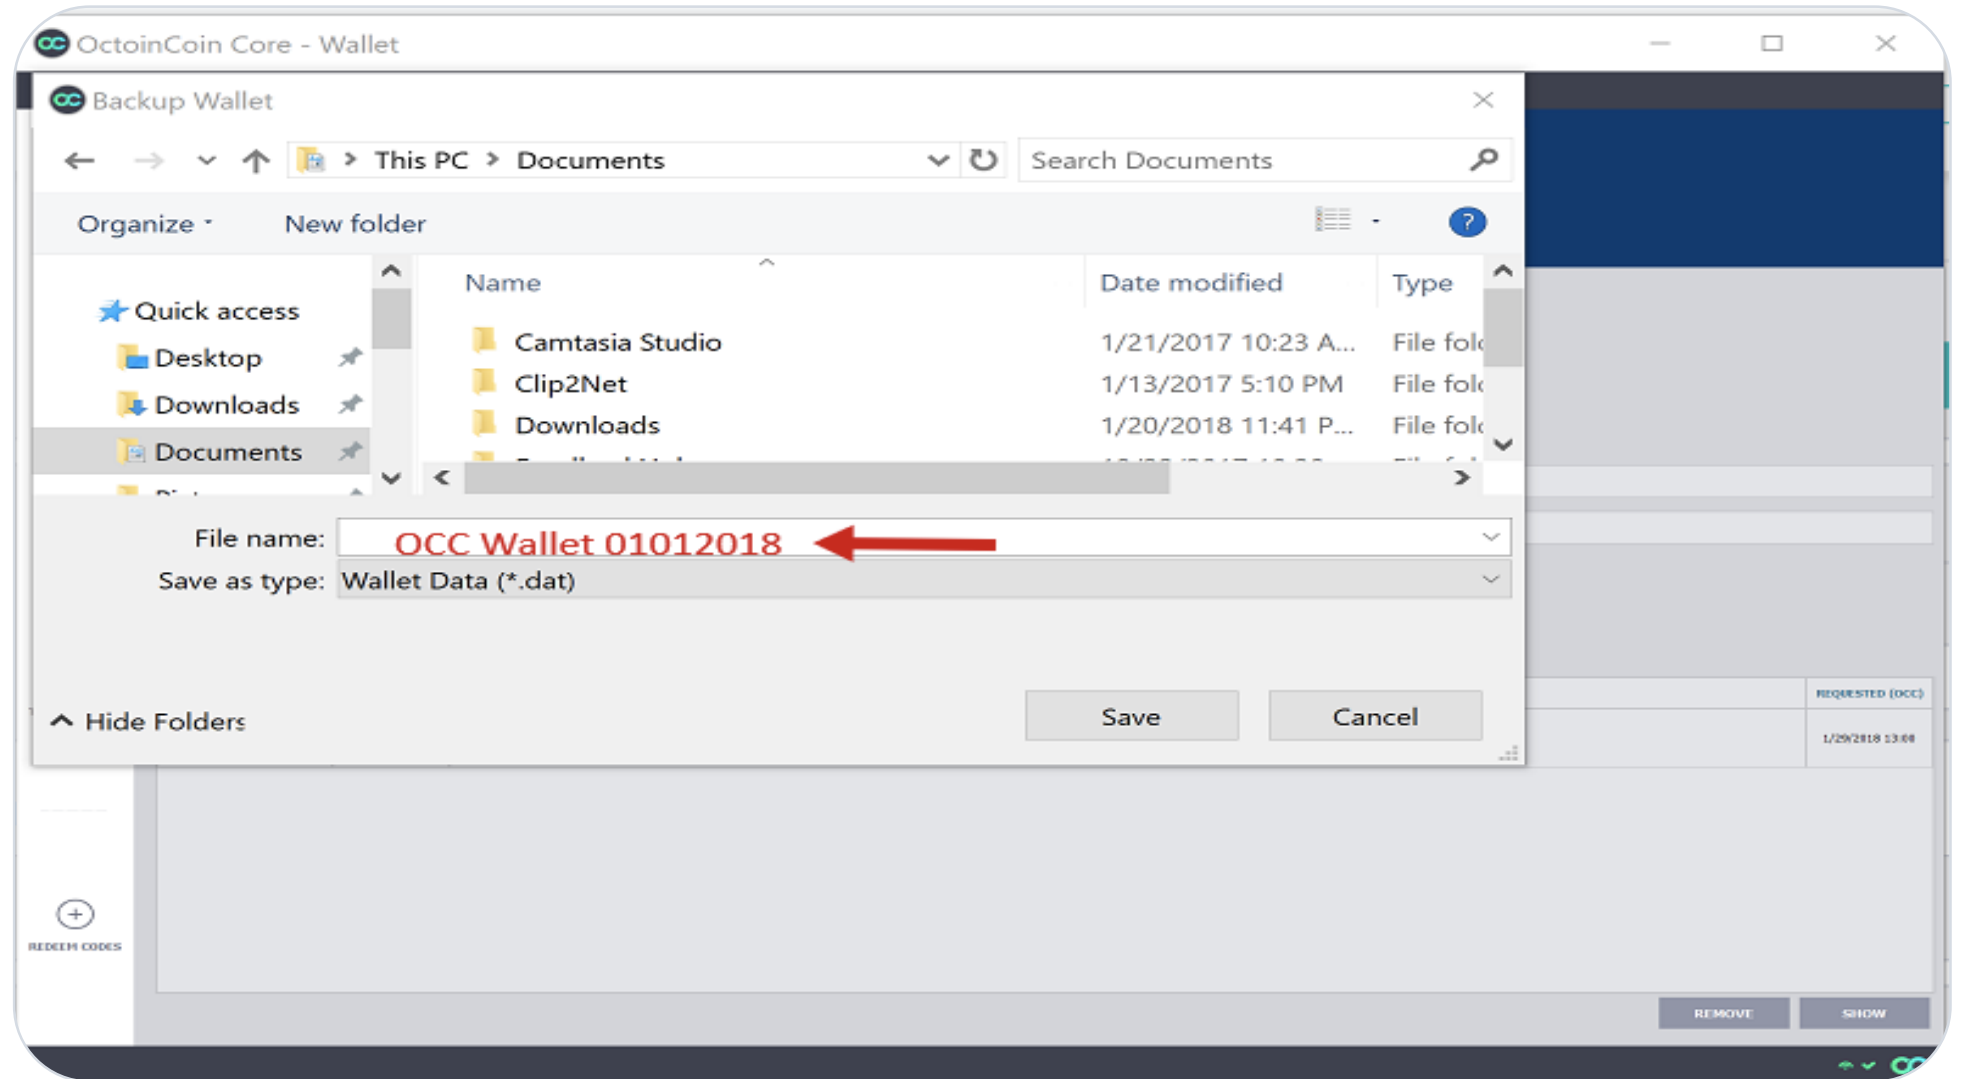

www.octoin.com

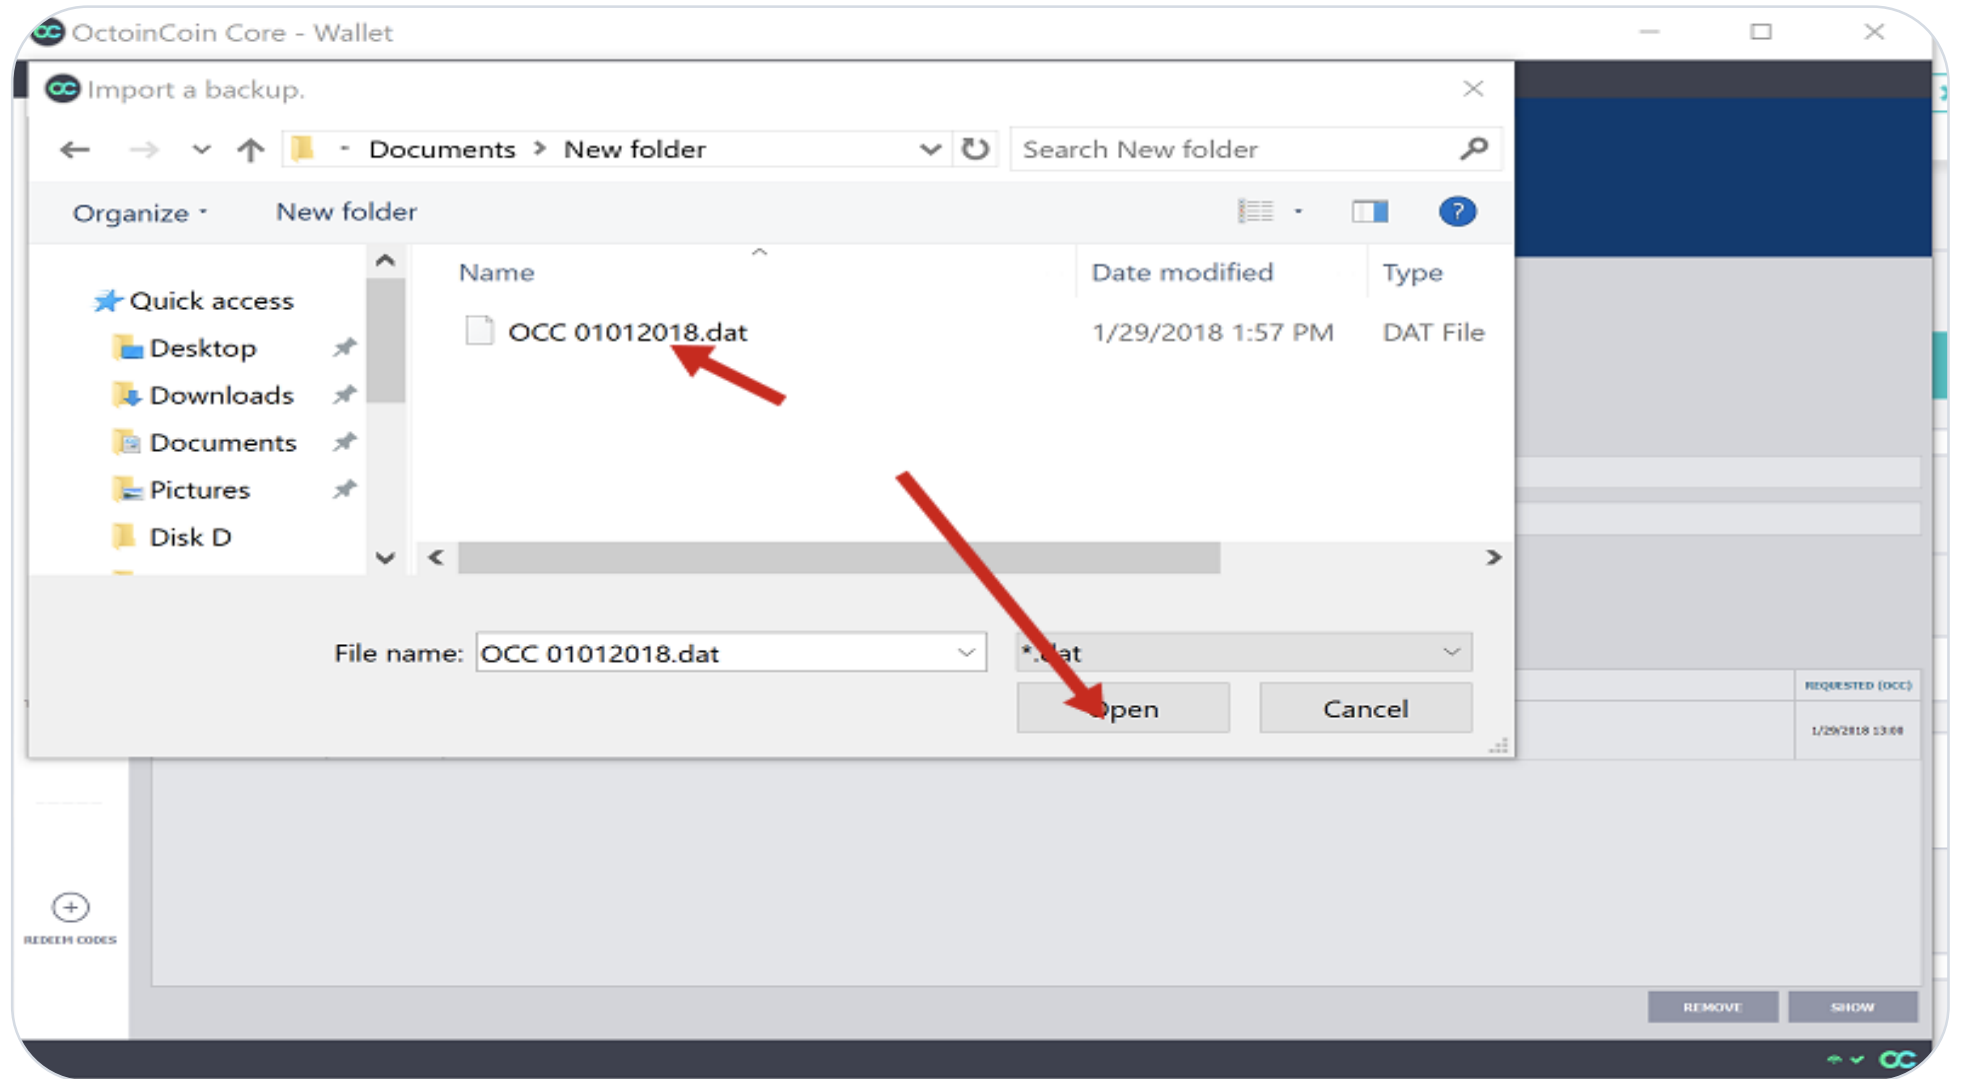

To get a backup of your wallet, please go to the top FILE menu, select the BACKUP WALLET tab.

Select the location where the copy file will be saved in the window that will open.

Fill the field FILE NAME: enter the name of the file to save (We recommend that you call the file "OCC_01.01.2018" with the date of creation), select the storage location and click "Save".

You have successfully created a backup copy of your wallet.
